

## Data Sheet: easy-off Graffiti Cleaning Wipes

### Description

Safe, environmentally friendly, fully biodegradable, non-hazardous and non-flammable. For use on all non-porous colourfast surfaces.

Remover has a pleasant aroma and can be safely used in confined and enclosed areas.

### Benefits

- Not animal tested
- Non-hazardous under COSHH & CHIP 11 regulations
- Fully biodegradable – Environmentally friendly
- Low volatility - Safe to use
- Effective against Spray paints, Permanent markers, felt tip, ball-point pen, etc.
- Water rinseable – permits easy removal
- Low odour – pleasant to use
- Non flammable
- Cost effective – ready to use, concentrated remover

### Application

- Wipes are used straight from pouch
- Test small inconspicuous area first
- wipe over graffiti
- If required leave for 3-4 minutes to allow remover to penetrate graffiti or stain
- On very old graffiti you may need to agitate the graffiti with a green nylon pad
- Rinse or wipe over with a clean damp Cloth and allow to dry
- Repeat if necessary

### Equipment required

Clean Water, Nylon Pads, Green scourers

### Health & Safety

Request Safety Data Sheet or can be downloaded at [www.urbanhygiene.com](http://www.urbanhygiene.com)
