

Data Sheet: easy-off Graffiti Removal Kit

Description

Safe, environmentally friendly, fully biodegradable, non-hazardous and non-flammable. For use on all non porous colourfast surfaces.

Remover has a pleasant aroma and can be safely used in confined and enclosed areas. The removal kit contains all you need for safe graffiti removal.

Benefits

- None animal tested
- Non hazardous under COSHH & CHIP 11 regulations
- Fully biodegradable – Environmentally friendly
- Low volatility - Safe to use
- Effective against Spray paints, Permanent markers, felt tip, ball-point pen, etc.
- Water rinseable – permits easy removal
- Low odour – pleasant to use
- Non flammable
- Cost effective – ready to use, concentrated remover

Application

- Remover is used UNDILUTED
- Test small inconspicuous area first
- Spray, brush or wipe over graffiti with remover
- Leave for 3-4 minutes to allow remover to penetrate graffiti or stain
- On very old graffiti you may need to agitate the graffiti with a green nylon pad soaked in remover
- Rinse or wipe over with a clean damp cloth
- Repeat if necessary

Equipment

Brush, Clean Cloths, Clean Water, Nylon Pads, Green scourers
