

easy-on™

PROTECTIVE COATING

The revolutionary solution that gives school walls up to 20 years protection

The benefits are clear

- ✓ Clear protective 'super hard' varnish
- ✓ Apply over new or existing paint
- ✓ Resists shoe scuffing, graffiti, biro, marker, cooking grease etc
- ✓ Lasts up to 20 years and cleans 1000's of times
- ✓ Withstands knocks and bangs from bags and cleaning equipment
- ✓ Vastly extends redecoration intervals
- ✓ Can be applied internally or externally
- ✓ Brush roller or spray apply
- ✓ Perfect for circulation spaces
- ✓ Dries to form a seamless hygienic, durable wipe-clean barrier
- ✓ Protects underlying paints, coatings and finishes for up to 20 years
- ✓ Class 'O' fire rating & building compliant
- ✓ Quick drying single coat application
- ✓ Solvent free, low odour, and low VOC
- ✓ Withstands 1000s of cleaning operations, with no need for reapplication
- ✓ Saves money on redecoration & cuts down time spent cleaning
- ✓ Bonds back dangerous asbestos fibres
