

## Data Sheet: CLEAN & PROTECT ALGAE REMOVER

### Description

Multi-purpose concentrated cleaner that cleans, deodorizes and protects.

A powerful time saving antimicrobial cleaning system.

Ready to use contains 9½% concentrated liquid.

Concentrated is 100%.

### Benefits

- Lasting protection against bacteria and germs
- One product that does the work of three
- Destroys odour creating enzymes with no strong chemical smells
- Cleans, deodorizes and provides long-lasting protection
- Removes and prevents the build-up of surface biofilms containing harmful germs and bacteria
- Effortlessly removes dirt, grease, body fluids, oil, algae and insect infestations from all washable surfaces
- Tested to BS EN1276 and BS EN13697
- Excellent sanitizing properties help to reduce cross contamination
- Nonharmful to animals when used correctly
- Safe to use on all food surfaces and taint free

### Application

- Spray onto the required area
- Rub the surface with a cloth or brush
- Rinse, wipe or polish off as required
  
- Please see dilution instructions for correct ratio

### Equipment required

Clean cloth, Soft Nylon Pads or brushes
